FEEDBACK

Sleepy Locust

We rarely ever receive feedback from kids and were delighted by this illustrated note to Bob sent by Nathalie from Crans-Celigny, Switzerland.

Dear Bob,

How are you? My name is Nathalie L'Eplattenier and I am 10 years old. I liked a lot the *Sleepy Locust* and I listen to it every night. I would like to know if you are going to do more of these nice stories.

I would like to meet you one day. Thank you for your helpful tapes.

Love,
Nathalie
